

Corps Announcements

Don't forget to order your corps tee shirts. The deadline for orders is March 7, so get your money in quickly. The cost is \$3.25 per shirt, payable on ordering to PO1 Dolinski or PO2 Refvic.

There will be a brief Mess meeting of all members of the Leading Cadets Mess on Thursday Feb.28 following evening quarters. It is imperative that everyone attend. The classroom will be announced.

Officer Cadet Webb has told us that he is determined to carry on his gymnastics class. To date no one has expressed any interest, so he says that he'll do it by himself if he has to. If by chance anybody is interested, come out and join him on Saturday evenings.(If your not interested come out and watch him sweat.)

Letter to the Editor

Dear Sir;

February 14, St.Valentines I noticed a different type of massacre. While waiting for the inspecting party to decide which of the Company's to inspect; cadets were scratching and moving about freely.

What is required in files and ranks is self discipline to prevent unnecessary fidgeting and scratching and all the other peculiarity which shows uneasiness or nervousness when waiting for the Commanding Officer and his inspecting party to inspect.
