### Sports Spotlight with Petty Officer Dolinski

In action on the floor hockey circuit last Saturday the Algonquin Avengers kept a grasp on first place by edging Blando's Bloopers 4-3. In the first game of the evenings contest the Huron Hackers handed the Athabaska Arros another loss by a score of 5-1.

In a practice game played in the early morning hours of Sunday March 17, the Officers of John Travers Cornwell V.C. showed their superiority in subduing the Chief and Petty Officers Mess in a game of shinny. A note of thanks is extended to Barry Webb; Phil Hay; (both former cadets) and Cdt McLaughlin who were added to the Officers squad. Many Petty Officers are spreading a vicious rumour that the score was Mess 11, Cdt McLaughlin 8, Wardroom 4, don't believe it. A good time was had by all who were there and indications show that the upcoming game between the Mess and Wardroom should be a real barnburner. The game will be refereed by an unbiased ref in the form of Cdt, McLaughlin from RCSCC Quapelle.
