

Back again after an unfortunate gap of three weeks caused by technical difficulties. First of all, some announcements of vital interest:

- SCUBA diving course will be starting in mid-January. There will be openings for ten people only. Qualifications: 16 years old by March and good swimming ability. All interested people should contact S/Lt. Fergusson.
- RECRUITING - It's your responsibility! We have openings for a large number of new entries, so get out, tell your friends about what we do and get them down here. It is the job of each and every person in this corps to bring in new entries, so don't delay. Do it!
- FLOOR HOCKEY games this Saturday have been moved up one-half hour so that the time for the games will be 1700, 1730 and 1800. Get out and play for your division. There have been **three defaults** out of six games, so read the schedule, find out when you play, and then come out and win for your division

Games Played November 2

No. 1 - Led by high scoring PC Dorrins, the Terra Nova Tornados blanked the winless St. Croix 3 - 0. Dorrins was the star of the game

earning his first hat trick. The shutout goes to the Tornados goalie, Furakawa, who was tested severely in the second period.

No. 2 - This high scoring rout saw the second place Algonquins shutout hapless Athabaska by a score of 9 to 0. Big guns for the winners were Boulet with 5 and Crompton with 3, while Bingham added a single. The only penalty of the game went to McAdam of Athabaska, 2 minutes for roughing.

No. 3 - The highly-rated Huron team stood ready and waiting to take on the rookie team from Gatineau. Obviously the boys from Gatineau rated the Huron team too highly, since they gave up without any kind of struggle by defaulting the game.

Games played November 9

No. 1 - Another poor showing, this time from Kootenay and Skeena. A double default, which goes down as a loss for each team.

No. 2 - Another double default, this time the guilty parties being St. Croix and Algonquin. This was especially surprising in light of Algonquin's 9-0 victory the week before.

No. 3 - This game saw the league leading Tornados gain a victory against previously undefeated Huron. The outcome was never much in doubt as the Tornados whirled to a 7 - 3 victory. Dorrins banged in 5 goals to take over the league scoring lead. Other marksmen for Terra Nova were the Johnson brothers with a goal apiece. For Huron the scoring was split between Carriere with two goals and Laiole with a single. Despite his two-goal performance, Carriere did not play up to his potential displayed last year when he was selected for the all-Corps team while playing for the then-powerful Algonquin Avengers.
