NEEDS YOU

REMEMBER YOUR DRILL?

Most of us probably can't fit into our uniforms, but the chance to be a part of a division—the best division on deck—will be made available as part of the Mini-Reunion.

Thursday, October 23rd, 2008, will see Alumni gather at HMCS Chippawa for an evening with the Corps and Comrades.

One year ago Alumni gathered aboard Chippawa and showed the current Corps what Alumni could still do. It was quite the sight, but all endured the challenge, only being sighted by the RPO once for noise and fidgeting. All endured and made it up to the wardroom for some comfort after.

But they passed the inspection by former CDR Dave Yeats of HMCS Quadra, and even managed to turn right in line for the salute. This year, since some of us at least have had some practice, the division will no doubt be awarded the Cock of the Walk. Be sure to come on down and show the cadets of today that once a JTCer, always a JTCer.

The evening will also include a tour of the Ship for those who have not been there before, and round off with lots of fellowship in the Wardroom.

So come on down and get your marching boots on.
