CORPS HISTORY

R.C.S.C.C. "JOHN TRAVERS CORNWELL V.C." came into being in 1920 first known as the Boys' Naval Brigade. It then was known for many years as the Winnipeg Sea Cadets. When the actual name was selected in the 1940's, no more fitting name could be used than that of the 16 year old boy seaman of the Battle of Jutland who died of wounds received at his post on a gun of HMS CHESTER. His display of courage in his youth earned him the Victoria Cross as gazetted Sept. 15th, 1916;

Boy, First Class, John Travers Cornwell, O.N.J. 42563, for the conspicuous act of bravery specified below.

"Mortally wounded early in the action, Boy, First Class, John Travers Cornwell remained standing alone at a most exposed post, quietly awaiting orders, until the end of the action, with the gun's crew dead and wounded all round him. His age was under sixteen and a half years."
