COMMANDING OFFICER'S MESSAGE

On behalf of myself, the Officers and Instructors, as well as the Cadets of RCSCC JOHN TRAVERS CORNWELL VC, I wish to take this opportunity to welcome all the parents, guardians, friends and everyone else who is interested in the work of this corps to this Annual Inspection.

The Annual Inspection is the culmination of all the hard work of the past training year. I believe what you see this evening is an example of why this corps has been around some 60 years and why it will continue to be around many, many more years. I am confident that RCSCC JOHN TRAVERS CORNWELL VC is continuing to provide excellent citizens for the future.

I wish to express a very special thanks to the officers and staff as well as all the cadets of the corps who have given so much this year to make it come together as well as it has. As long as there are such people involved in the cadet movement, it will overcome all problems and be in good hands.

CORPS HISTORY

RCSCC "JOHN TRAVERS CORNWELL VC" came into being in 1920 first known as the Boys' Naval Brigade. It then was known for many years as the Winnipeg Sea Cadets. When the actual name was selected in the 1940's, no more fitting name could be used than that of the 16 year old boy seaman of the Battle of Jutland who died of wounds received at his post on a gun of HMS CHESTER. His display of courage in his youth earned him the Victoria Cross as gazetted Sept. 15th, 1916;

Boy, First Class, John Travers Cornwell, O.N.J. 42563, for the conspicuous act of bravery specified below.

"Mortally wounded early in the action, Boy, First Class, John Travers Cornwell remained standing alone at a most exposed post, quietly awaiting orders, until the end of the action, with the gun's crew dead and wounded all round him. His age was under sixteen and a half years."
