

ANNUAL INSPECTION

22 May 86

Dear In Review

This 1985-86 training year was characterized by endless activity, elevated esprit de corps, and much achievement.

The Guard of Honour, the "front line" of pomp and ceremony, trained diligently Sunday mornings. In September the Guard, Colour Party, and Band joined in the Decoration Day Parade in Dominion City, Manitoba.

The 30 piece brass-reed Band performed in countless concerts and parades. Some highlights include: the Sharon Nursing Home; the Hotel Fort Garry (Navy League Dinner); Carman, Manitoba; and Ear Falls, Ontario.

Other corps excursions included a day hike at Magillrary Lake in November, and a three day exercise at Albert Beach involving 35 cadets during the Christmas school break.

"VE4 JTC," our Ham Radio was in full operation --making contacts across the continent and beyond.

SCUBA, swimming, first aid, hunter safety, and the Duke of Edinburgh Program numbered among many extracurricular activities.

RCSCC JT Cornwell VC participated in the Strathcona Drill Competition, and in a swim meet hosted by RCSCC Daerwood in Selkirk, Manitoba. Our swim team earned the relay championship trophy, as well as many individual awards.

And finally, all of the activity will not cease following the Annual Inspection. A canoe trip at Caddy Lake, Manitoba is planned for mid June. As well; many "Cornwell cadets" will be attending summer training camps at various locations in Canada.

RCSCC John Travers Cornwell VC came into being in 1920 first known as the Boys' Naval Brigade. It then was known for many years as the Winnipeg Sea Cadets. When the actual name was selected in the 1940's no more fitting name could be used than that of the 16 year old boy seaman of the Battle of Jutland who died of his wounds received at his post on a gun of HMS CHESTER. His display of valour in his youth earned him the Victoria Cross as gazetted 15 Sep 1916.

Boy, First Class, John Travers Cornwell,
O.N.J. 42563, for the conspicuous act of
bravery specified below.

"A report from the Commanding Officer of the Chester gives a splendid instance of devotion to duty. Boy, First Class, John Travers Cornwell was mortally wounded early in the action. He nevertheless remained standing alone at a most exposed post, quietly awaiting orders till the end of the action, with the gun's crew dead and wounded all round him. His age was under sixteen and a half years."
