## **JOHN TRAVERS CORNWELL VC**

At the height of the Battle of Jutland on 31 May 1916, **Boy Seaman First Class John Travers Cornwell** stood his station at his gun aboard HMS Chester. With his gun's crew dead and dying, the boy seaman, aged sixteen, remained at his most exposed post for orders which never arrived. It was here, he received his mortal wound. This act of bravery earned him the Victoria Cross, the Commonwealth's highest military honour. His action inspired a nation trapped in a war to end all wars.

**RCSCC JOHN TRAVERS CORNWELL VICTORIA CROSS** was formed in 1920 first known as the Boy's Naval Brigade and was known for many years as the Winnipeg Sea Cadets. In the 1940's the name, **JOHN TRAVERS CORNWELL VICTORIA CROSS**, was selected, and today the corps continues a proud history of dedicated service to the youth of our great country.

The Annual Inspection is a culmination of a year's hard work. Through Annual Inspection 1994 the cadets and officers show respect for history and a commitment to the future of this proud corps. Thank you for showing your support this evening.
