

In case anyone is wondering, the Officers of J T Cornwell V C did not get lost last Thursday evening. What took place was an Abandon Ship routine designed to test the initiative and resourcefulness of the Chief and Petty Officers Mess. As was evidenced, the mess took full control of the situation and conducted themselves admirably. WELL DONE mess!

THE TRAVERSLOG QUIZ

No points have been awarded this week for answering the quiz question correctly. Although John Travers Cornwell was first started in June 28, 1920, when the Winnipeg Branch of the Naval Veterans Association made a final decision to form a Boy's Naval Brigade; the corps was not officially incorporated as Royal Canadian Sea Cadet Corps John Travers Cornwell V.C. until 1943. This came about when; " with the consent of His Royal Highness, King George IV, the prefix " Royal Canadian " was added to all sea cadet corps in Canada. Lets make up for this with this weeks quiz's, each worth 10 points. What is the new area of operations for the Canadian Forces Sea Element?
