

The BIG news for this week is the results of the Blood Bowl, that annual football event that pits the Corps' Officers against the Petty Officers. This year the powerful officers squad rolled to a convincing 24-0 victory over the luckless Petty Officers.

The Officers were virtually unstoppable as they passed and ran for four touchdowns under the direction of Lt. Sutherland as quarterback. The indomitable defence of the Officers consistently broke up the Petty Officers attack and limited them to two first downs in the entire game.

Elsewhere over the weekend, a large number of the new entries were kitted out with uniforms on Sunday. A word to all people who got uniforms. Learn how to wear them properly and if you don't know - ASK.

Next week the cock of the walk interdivisional program gets started. Divisional Petty Officers have all the details so ask yours to tell you what its all about. From now on everything you do is important to your divisions standing.

Our time for Sunday activities is 0800-1200 each Sunday morning. All activities will be starting in the first week of November and will include sports, guard, band, gun's crew, swimming, bowling, range, range team, rope work, communications, first aid, sailing, boatwork, navigation and scuba. Specifics and more detailed information will be provided next Thursday.

The ship is closed all weekend due to Thanksgiving, but Slt. Hunt has plans for a Sports Day for all cadets on Sunday. Activities planned; baseball, football, frisbee, soccer or whatever else you want. Be sure to see Slt. Hunt tonight in the Ship's Office or in Classroom 137 immediately after secure if you are coming. Meet at Chippawa at 1300 on Sunday.

Remember the Explorer excercises for the weekend after Thanksgiving. Tonight is the deadline for applications so ... if yours isn't in see Slt. Payne tonight.

Battle of Trafalgar Church Parade will be held on October 26th. Attendance is compulsory for all cadets so make plans now to be there.
