LCDR G.D. BRUCE CD: The passing of the first year of my appointment as Commanding Officer of John Travers Cornwell V.C. fills me with a deep sense of pride and accomplishment.

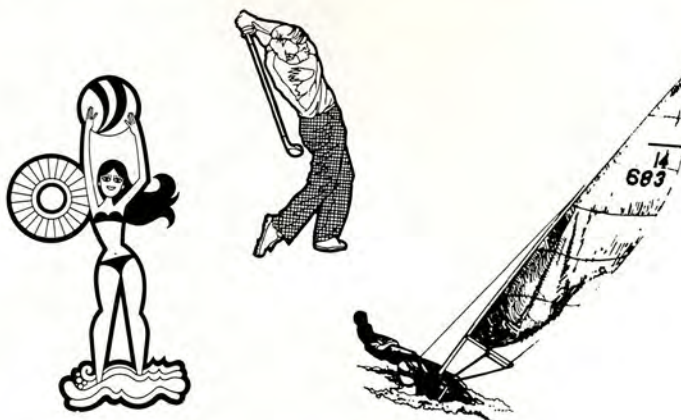

OFFI

It is very gratifying to see the tremendous effort and time devoted to the corps by our Officers, Civilian Instructors, Volunteers, Sponsors, and especially by the cadets themselves. Time and effort which is well spent when one watches new recruits of thirteen years mature into responsible young adults with a strong sense of discipline and citizenship

in just a few short years.

It is my hope that this tradition of high personal standards and ideals will continue to be fostered in the best youth organization in Canada, the Royal Canadian Sea Cadets, and in particular (in perhaps a biased opinion) the best Sea Cadet Corps in Canada, John Travers Cornwell V.C.

G.D. Bruce CD
Lieutenant-Commander
Commanding Officer

LT(N) DONALD G. BULLEE: Another good year for the corps. We've had lots of new entries through stores helping keep the spirit and the esprit de corps that made us number one. Keep up the good work. "BRAVO ZULU"

LT(N) JIM R. RUEL: Corps Training Officer, Chief & PO's Mess liason. Great training has been a tradition in JTC for years. Support from all the instructors was essential in this years success. Thank you to all who continued the training tradition.

as a cadet I had the opportunity to experience most of the advantages of being a Sea Cadet. I was a 'two weekie' at Quadra, went on bos'n course in Halifax and became a staff cadet for 3 summers. I also attended two Easter Cruises in B.C. I encourage all cadets to take full advantage of all the activities and experience being a sea cadet allows. In closing, I ask the ships company of The Royal Canadian Sea Cadet Corps John Travers Cornwell Victoria Cross to give the same respect and dedication to my successor.

Neil D. Johnston
Lieutenant
Executive Officer

LT(N) NEIL D. JOHNSTON: I would like to thank the officers and cadets of R.C.S.C.C. John Travers Cornwell V.C. for their co-operation and support during the time which I have been the

Executive Officer. My civilian occupation no longer allows me the time to continue in this position and it is with great regret that I must withdraw from active service with our corps. My cadet career started in J.R.K. Millen Navy League Cadet corps in 1972.

After I transferred to JTC VC from Navy League in 1974, I was fortunate enough to eventually reach the position of Coxswain. During my years

SLT LINDA M. WELLWOOD: Administration Officer for the corps. Responsible for all administration for cadets and officers. Any info. to be known can usually be found in ships office, the operational network of the corps.

MR. MARK JONES (CORPS CHAIRMAN): It is said that the Royal Navy always travels first class. If you are a member of #49 RCSCC JTCVC, you are traveling first class in the cadet movement.

SLT KEN NORD: Cox'n '84. Recruiting O/Victory DO/OIC Guncrew feels honoured to be associated with the Cornwell officers--and above all cadets--this year of soaring spirits. We all must continue the momentum for tomorrow's corps!

A DAY OFF

So you want the day off. Let's take a look at what you are asking for. There are 365 days per year available for work. There are 52 weeks a year in which you already have two days off per week, leaving 261 days available for work. Since you spend 16 hours each day away from work, you have used up 170 days leaving only 91 days available. You spend 30 minutes each day on coffee-break, that accounts for 23 days each year, leaving only 68 days available. With a one-hour lunch period each day, you have used up another 46 days, leaving only 22 days available for work. You normally spend 2 days per year on sick leave. This leaves you only 20 days available for work. You are off for 5 holidays per year, so your available working time is down to 15 days. We generously give you 14 days vacation per year which leaves only 1 day available for work and I'll be damned if you are going to take that day off!!!

CPO1 PAULINE JACKSON:

"AS I TOOK ON THE POSITION OF COXSWAIN, I BEGAN AN EXCITING AND PROUD YEAR OF SEA CADETS THERE WERE MANY NEW CHALLENGES NEARLY EVERY WEEK AND I TRULY ENJOYED WORKING WITH ALL OF YOU. I AM GLAD THAT I HAD THE CHANCE TO BE PART OF THE BEST CORPS IN CANADA."

CHIEFS

CPO1 RICHARD PUTTENHAM: "NINE YEARS AGO I STEPPED ACROSS THE QUARTERDECK INTO ANOTHER WORLD. I WAS TEN YEARS OLD AND I WANTED TO BE A CADET. ONE OF THE FIRST THINGS I LEARNED FROM MY PETTY OFFICER WAS, THAT IF I WANTED TO GET AHEAD, I WOULD HAVE TO TRY MY HARDEST. NOW, NINE YEARS LATER, I REACHED THE PINNACLE OF MY CADET CAREER. I WANTED TO BE THE BEST THAT I COULD, AND THROUGHOUT MY TIME IN NAVY LEAGUE AND THEN ON INTO SEA CADETS, I LIVED WITH THIS DESIRE. NOW MY CADET TRAINING IS OVER BUT HOPEFULLY YOURS WILL CONTINUE. ALL I CAN SAY IN ADVICE IS TO TRY YOUR BEST IN EVERYTHING YOU DO. IT HAS BEEN AN INTERESTING AND DEMANDING YEAR."

CPO2 GORDON FECYK: THE ONLY CADET WHO COULD HAVE HEARD A SONG AND ACCURATELY REPRODUCED IT ON THE PIANO. (CAN BE SEEN WITH SCHMOO!)

CPO2 CHARLENE SMITH (RPO): '84 Junior Guardsman, Best Junior Boots. '85 Junior Guardsman, Best Senior Boots, Best Junior Shot. J.L. '85, Staff '86. '87 Range Team Captain. DCRA Best Shot. CBSW, J.K.

CPO2 GORDON FERRIER: "GOD", AS HE IS FONDLY KNOWN, IS THE REGULATING PETTY OFFICER FOR '87'88. OFTEN HEARD SAYING, "I WANNA BE COXSWAIN."
"A BANDSMAN TO THE BITTER END"

CPO2 SANDRA KOZLOWSKI: "THE BUFFER WHO IS TOUGHER THAN ANY OTHER", SANDRA WORKS HARD TO MAINTAIN "GODLINESS" ON THE SHIP (WHEN SHE'S ABOARD!)

CPO2 SHAWNA BRISLEY: MAKES THE PROVERBIAL QUOTE "HIT THE DECK" BECOME A REALITY. SHAWNA WORKS VERY HARD AND IS CURRENTLY INVOLVED IN THE JTCVC CEREMONIAL GUARD OF HONOR.

CPO2 JASON BEIKO: "B" COMPANY GUNNER, RANGE TEAM CAPTAIN, AND GUN CAPTAIN OF THE JTCVC NAVAL FIELD GUN'S CREW.

CPO2 KEVIN TODD: THE WONDERFUL CADET WHO CLAIMS HE DOES EVERYONE ELSE'S JOB. (MAYBE WE COULD CALL HIM A "JERK" OF ALL TRADES!)

1988 ANNUAL INSPECTION

ANNUAL INSPECTION 1988

From September to May, the cadets of John Travers Cornwell VC prepare and practice for Promotional Exams and Annual Inspection. As the inspection is only once a year, special care and time is needed by each and every cadet and with hard work and dedication the 1987-'88 Annual Inspection was again a success.

In the past the inspection included colours, classes, displays (Band, Guncrew, Drillteam), Ceremony of the Flags, awards and speeches but, this year John Travers Cornwell VC tried something new. The inspection included Ceremonial Divisions, in which the entire corps was inspected by Commander Siemens, both classes and displays were then presented to the Reviewing Officer and parents, and finally Sunset and awards.

Each cadet had the opportunity to show their parents and friends what they worked so hard for, another successful year. Once more another year aboard HMCS Chippawa has come to an end and once more we'll start again. See you next year.

COCK OF THE WALK

Cock of the Walk was run the way I wanted it to be run. Everything that the cadets did I tried to give points for, I.E.: Attendance, Dress, Deportment, Extra Activities, and I took points away when they were away or put on charge.

Cock of the Walk means the best or the elite. From September to April they worked on everything that they could to show that they were the best.

Sea Cadet Games-Thunder Bay

A contingent of cadets was assembled for the trip to Thunder Bay. With minimal practice time the cadets departed on 22 January. An unscheduled stop in Kenora extended travel time. The cadets completed over a wide range of events including range, floor hockey, basketball, line toss, volleyball, snowshoe relay, tug of war, knot tying and finished with a

drill competition. An all around good show was attained, as our contingent was one of two teams to score in all of the events. Out of the ten corps competing, JTCVC placed second, with five points separating first from second place. The cadets also won the Sportsmanship Award for fair play, general behavior, and attitude. Next year, we fully intend to place first overall.

THE HISTORY OF JOHN TRAVERS CORNWELL

JOHN TRAVERS CORNWELL V.C.

JOHN TRAVERS CORNWELL WAS BORN ON 8TH JAN. 1900, AT CLYDE COTTAGE, CLYDE PLACE, LEYTON, ESSEX, ENGLAND, THE SON OF ELI CORNWELL AND LILY KING-CORNWELL.

CORNWELL HAD ALWAYS BEEN KEEN TO JOIN THE NAVY, BUT HIS PARENTS REFUSED TO ALLOW HIM AT FIRST. WHEN HE LEFT SCHOOL HE BECAME A DELIVERY VAN BOY FOR BROOKE BOND & COMPANY. THE WAR PURSUADED HIS PARENTS, AND CORNWELL JOINED AT DAVENPORT ON 27TH JULY 1915, BECOMING BOY SECOND CLASS JOHN TRAVERS CORNWELL (OFFICIAL NO. J/42653). HE FOUND SEAMANSHIP FAIRLY EASY, BUT WHEN HE WENT TO HMS VIVID FOR GUNNERY TRAINING, THE GOING WAS MORE DIFFICULT. HE THEN TRANSFERRED TO THE HMS CHESTER, A NEW LIGHT CRUISER, ON ITS COMMISSIONING DAY.

DURING WORLD WAR I, ON THE 31ST MAY 1916, AT 1740 HRS, IN THE NORTH SEA OFF JUTLAND, THE CHESTER FOUND HERSELF IN ACTION AGAINST FOUR GERMAN CRUISERS IN A BATTLE WHICH LATER BECAME KNOWN AS "THE BATTLE OF JUTLAND". CHESTER'S GUNS WERE NO MATCH FOR THE GUNS IN THE GERMAN CRUISERS AND SHE WAS HIT 17 TIMES WITHIN A FEW MINUTES.

AFTER THE SHOCK OF THE BATTLE, ONLY ONE FIGURE WAS STILL STANDING BY THE TURRET. HE WAS BOY FIRST CLASS JOHN TRAVERS CORNWELL, THE SIGHT-SETTER, WHO TOOK HIS ORDERS FROM FIRE CONTROL AND APPLIED THE NECESSARY RANGE CORRECTIONS TO THE GUN. HE WAS, LITERALLY, A BOY, NOT YET 16 1/2 YEARS OLD, AND HE HAD ONLY BEEN IN THE NAVY FOR LESS THAN A YEAR. BUT THE SHORT MONTHS OF NAVAL DISCIPLINE TOLD. THOUGH HE WAS MORTALLY WOUNDED, CORNWELL REMAINED STANDING ALONE AT A MOST EXPOSED POST, QUIETLY AWAITING ORDERS, UNTIL THE END OF THE ACTION, WITH THE GUN'S CREW DEAD AND WOUNDED ALL AROUND HIM.

CORNWELL LIVED LONG ENOUGH TO BE TAKEN ASHORE, BUT HE DIED OF HIS WOUNDS IN GRIMSBY HOSPITAL ON 2ND JUNE 1916. AFTER HIS DEATH HE WAS AWARDED THE VICTORIA CROSS FOR HIS IMPRESSIVE BEHAVIOUR IN THE BATTLE OF JUTLAND. BECAUSE OF HIS YOUTH, BOY CORNWELL RAPIDLY BECAME ONE OF THE MOST FAMOUS OF ALL VICTORIA CROSS WINNERS. HIS DEVOTION TO DUTY WAS AN EXAMPLE TO ALL OF US. THE WOUNDS WHICH RESULTED IN HIS DEATH WERE RECIEVED IN THE FIRST FEW MINUTES OF ACTION, YET HE REMAINED AT HIS MOST EXPOSED POST ON THE GUN, WAITING FOR ORDERS. HIS GUN WOULD NOT BEAR ON THE ENEMY, ALL BUT TWO OF THE TEN WERE KILLED OR WOUNDED, AND HE WAS THE ONLY ONE LEFT IN SUCH AN EXPOSED POSITION. BUT HE FELT HE MIGHT BE NEEDED, AND INDEED HE MIGHT HAVE BEEN, SO HE STAYED THERE, STANDING AND WAITING, UNDER HEAVY FIRE.

THE BOY WHO DIED AT HIS POST OF DUTY, LEAVES US ALL THIS MESSAGE

"OBEY YOUR ORDERS, CLING TO YOUR POST,
DON'T GRUMBLE, STICK IT OUT".

When I was told to check into making a yearbook, I didn't realize that there would be so much work involved. With the normal cadet routine, being in charge of Cock-of-the-Walk, and taking SCUBA, I had to find time to work on it. First I had to find a printer, then I had to find cadets who were willing to put in their time and effort. I started out with eight cadets who were willing to help. After they realized the work that was involved they decided not to help. I had to find other cadets who would work. I had a total of sixteen different cadets working on it. But the four dedicated cadets who were willing to stick it out through the whole year were: Charlene Smith, Kevin Todd, Mike Beddington, and Deena Rathgeber.

When the cadets saw the 1972 Anniversary Yearbook, they were expecting this one to be 150 pages, hard cover, colored pictures, etc.

but what they don't realize is the financial committment and the time it takes to put out such a tremendous yearbook. We were able to find enough sponsors and advertising to cover 1/3 the cost of printing the yearbook. Then we were able to sell 80 out of the minimum order of 100 yearbooks.

Special thanks go out to Charlene Smith for the work she did on the front and rear cover, for doing all of the calligraphy throughout the book, and for spending her own time to help finish on time. Thanks go to LT(N) Don Bullee for the photography, developing, and printing of all the pictures. The History Page on John Travers Cornwell was supplied by A/SLt Kelli Grant.

I would also like to thank the Businesses and Sponsors for their donations; the parents of the cadets who let them come down to spend the extra time that it took, and the Officers who opened the ship every week to allow us to create during irregular hours. Last but not least, even though I put the yearbook together in the format that it is, the Yearbook Staff did all of the cutting, typing, gluing, drawing, selling, and overall, helped create this second yearbook. Let's hope the next yearbook works as well. but not take sixteen years!

make a perfect couple? The picture at the left is of Deena and Mike when they were 4 years old. The picture on the right is of them this year, 1988.

Like Mallory Keaton and Skippy Handleman, Deena Rathgeber and Mike Beddington have known each other all their lives. Unlike "Family Ties", Mike and Deena don't hate each other; they do everything together. If you are looking for one you will always find the other. What's in store for their future? Only time will tell. But don't you think they
