Garry Payne is a was a cadet and officer with John Travers Cornwell joining in the 1970's and working with the corps until the early 80's. During his time with the corps he worked in many positions from Training Officer to Divisional Officer but much of his time here was as the Band Officer working with a 60 man band. He not only developed an excellent band at the corps he also worked for many years at HMCS Quadra as the Director of Music. Always looking for new challenges Mr Payne moved up the ranks at Quadra eventually becoming the Commanding Officer. After living on the West Coast for a few years Garry moved to Ottawa where he resides with his wife Crystal, and their two sons, Steven and John.

On behalf of the Cadets and Officers of RCSCC John Travers Cornwell VC I would like to acknowledge and extend our appreciation to the members of the Cornwell (Winnipeg) Branch for all of their time, effort and support of the corps. President Don Bullee and his executive put in many hours of hard work to provide the extras the corps needs to provide an exciting and challenging program.

We would also like to extend our thanks to the National and Provincial Divisions of the Navy League of Canada. Their support to the corps is most welcomed as is the support we receive from LCdr Morlock, Commanding Officer of HMCS Chippawa.

And of course we must thank the Department of National Defence. The work they do for cadets is outstanding. Lcdr Fitzpatrick, Lt(N) Bourre, Lt(N) Hurley, Lt(N) McKay, and Capt Thompson have all provide excellent programs and opportunities for our cadets to be challenged and develop their leadership capabilities.

Most importantly, I would like to thank the parents and their families. Without your support and encouragement, our cadets would not be able to achieve the success they share with you tonight.

Lt(N) Lorne Palmquist, Commanding Officer
